Newest Addition to the Kuykendall Team, Senior Vice President of Farmers & Merchants Bank Bob Fish

Long Beach, CA — Former Congressman Steve Kuykendall, a candidate for the newly created 47th Congressional District, has named Senior Vice President of Farmers and Merchants Bank Bob Fish as his Campaign Finance Chairman.

As a well-known and respected banker in the community, Fish has also been a dedicated community leader, as former Chairman of the Garden Grove Chamber of Commerce, former President of the Garden Grove Community Foundation and past Director of the Lincoln Club of Orange County.

"Our Country is at a crossroads, and tough decisions must be made," said Farmers and Merchants Bank Senior Vice President Bob Fish. "As a former Congressman and State Assemblyman Steve has the experience and leadership skills to help solve our national debt crisis and get our economy moving forward so we can start creating jobs again."

"When Steve was in the State Assembly, we were in at least as bad a shape then as we are today, but Steve had the wherewithal to reach across party lines and build consensus — resulting in a government that provided good stewardship of tax dollars; taking no more than necessary; a balanced budget and a robust economy that provided jobs for all that wanted one. In Congress he voted to balance the budget and reduced our taxes. Our Country needs the same leadership today," continued Fish.

"I'm proud and honored to have Bob's support," said Kuykendall. "Bob is a well known and respected businessman, a Vietnam Veteran and a long time community leader in the 47th Congressional District. I am looking forward to working with him as my Campaign Finance Chairman."

Steve Kuykendall is a former Marine Corps Captain, a businessman, and a former member of the California State Assembly and Congress. He and his wife Jan have three grown children and reside in the City of Long Beach.
